

TWIN CITIES LYME FOUNDATION

PRESENTS THE SECOND ANNUAL

I N T H E
LYME LYGT
Gala
2019

LET'S MAKE A DIFFERENCE...

Twin Cities Lyme Foundation invites you to our second annual gala, *In the LymeLyght*, 2019. Join us for the fun while we raise the funds needed to spread awareness and aid in a diagnosis for those afflicted with Lyme disease. Our foundation is a Twin Cities based 501c3, non-profit organization that raises funds to help create awareness and aid in Lyme literate diagnoses. Please join us. We know you will experience a night to remember!

The Story

My life changed 20 years ago when my well-being began to decline. I was inexplicably sick. The difficult part was that every single day was different.

After 16 years of specialists trying to figure out my 60 symptoms, I was finally properly diagnosed with Lyme disease. Subsequently, I realized how many others were faced with the same dilemma of not knowing what ailed them. With gratitude in my heart for finally having an answer, I started Twin Cities Lyme Foundation to help others avoid going through the same anguish I have.
